# MAKE THE ENVIRONMENT A SAFER PLACE WHEN YOU BUY A Q-CONNECT® TONER CARTRIDGE

## DID YOU KNOW THAT:

Over 375 million empty toner and ink cartridges are thrown away as scrap every year. That means that 660 cartridges are thrown away every minute equating to roughly 11 cartridges scrapped every second!

**11 CARTRIDGES SCRAPPED  
EVERY SECOND**

**375  
MILLION  
EMPTY CARTRIDGES  
EVERY YEAR**

**660 CARTRIDGES  
THROWN AWAY EVERY MINUTE**

These discarded cartridges have a combined weight of 150 million pounds that are buried in landfills; which is equivalent to the weight of 100,000 male hippos.

In these challenging economic times, we are all aware of what we spend. So why would you pay considerably more for an original product when the Q-CONNECT® alternative gives you such significant savings without ANY compromise on quality?

## Q-CONNECT® SAVES YOU MONEY

The cost of a cartridge divided by the page yield of a cartridge will give you cost per page i.e. what it costs you for every page you print. To see how much money you can save, compare Q-CONNECT® cost per page with its corresponding OEM brand alternative – you will be amazed how much money you can save.

**USING A Q-CONNECT® CARTRIDGE WILL NOT INVALIDATE YOUR PRINTER WARRANTY.**

## WHAT CAN YOU DO TO HELP?

**RECYCLE AND BUY REMANUFACTURED Q-CONNECT® CARTRIDGES  
USE OUR FREE CARTRIDGE COLLECTION PROGRAMME.**

The objective of our FREE collection programme is to achieve zero-waste landfill by recycling used cartridges. It is fully compliant with all current environmental and waste regulations to ensure you are fulfilling your environmental responsibility.

Simply call your Q-CONNECT® supplier to find out the details and to get a FREE recycling collection box. And remember to include all your empty ink and toner cartridges - original and Q-CONNECT!
